|-----|--|
| 1. | Pick a recent public event and discuss the roles of blame and credit in the story as played out in the media. |
| 2. | Do you agree or disagree that the concept of accountability is naturally built into nature, as well as our hearts, minds, and souls? |
| Ac | countability in General |
| 1. | Discuss the merits and pitfalls of both instant accountability and incubative accountability. |
| 2. | In upholding accountability, how does one find a balance between desirable rewards and undesirable consequences? |
| 3. | Make a list of some <i>lawmakers</i> and <i>lawkeepers</i> . Do you think both are necessary? Why? |
| 4. | Discuss an example where some <i>lawmakers</i> and <i>lawkeepers</i> domains overlap. How does one determine which is priority? |

- 5. Pick a *lawkeeper* position or career, and then discuss what is needed for both empowerment and consistency.
- 6. Discuss an occasion where you held someone accountable. Why and how?

- 7. Discuss the ramifications of the following two scenarios:
 - There is no ultimate accountability.
 - There is ultimate accountability.
- 8. Discuss these four basic attitudes of accountability and consider some examples of each.
 - *Owners* My life is my responsibility.
 - *Overcomers* My life is still my responsibility.
 - *Whiners* My life is your responsibility.
 - *Victims* My life is your responsibility and your fault.
